In re Application Of: Alexandre Henon

Application No: 09/456,900

Filed: December 08, 1999

Title: Method for In-Progress Telephone Call
Transfer Between A Wireless Telephone
and A Wired Telephone Using A Short-
Range Communication Control Link

Withdrawal From Issue

The purpose of this communication is to inform you that the above identified application is being withdrawn from issue.

The application is being withdrawn to permit reopening of prosecution; due to a newly found reference.

Patent and Trademark Office records reveal that the issue fee has not been paid. If the issue fee has been submitted, the applicant may request a refund, or may request that the fee be credited to a deposit account. However, applicant may wait until the application is either again found allowable or held abandoned. If the application is allowed, upon receipt of a new Notice of Allowance and Issue Fee Due, applicant may request that the previously submitted issue fee be applied toward payment of the issue fee in the amount identified on the new Notice of Allowance and Issue Fee Due. If the application is abandoned, applicant may request either a refund or a credit to a specified Deposit Account.

The application is being forwarded to the examiner for action.
